An Invitation

*I invite you to the great
adventure...a real adventure,
whose goal is certain victory,
but the road to which is un-
known and must be traced out
step by step in the unexplored...
If that interests you...well, let
us embark. What will happen
to you tomorrow—I have no
idea. One must put aside all
that has been foreseen, all that
has been devised, all that has
been constructed, and then...set
off walking into the unknown.
And—come what may!*

"A New World is Born"

AUM CONFERENCE

June 30th - July 4th, 2011

A New World This year's conference is inspired by the Mother's vision of a new world that has already been born and of which many of us are for the most part still unaware. As the forms of the old world seem to be crumbling around us, it seems more relevant than ever to align and tune ourselves to the divine frequencies of this new creation.

Experiential and Interactive There will be audience-participatory formats for presentations and workshops as well as a balance of activities so that not just the mind but other parts of the being are engaged—especially the Psychic Being which is key to connecting and resonating with this new world. It is hoped that the event will bring about a change of consciousness for organizers, presenters, and attendees alike.

Children's Program Keynote presenters Narad, Aster, & Loretta will bring an awareness of "A New World" to the children in their own special program. *Please refer to our website for detailed info and parental requirements.*

AUM 2011
wants to be a poem,
an integrated flow
from beginning namastes
and stimulating questions,
through vastness of word and
inwardness of activity and workshop—
all building a larger personal and collective
awareness and receptivity to Mother's vision
of the new world that is already here.
We hope you will not miss any of it.
